Datasheet

STANDAELONE ACCESS CONTROL/ DGLP - Standard

Product description

Digiprox®

The DGLP range of proximity readers is offered in varied formats, to provide a real solution for contactless access control in the most demanding applications.

The reader is also available in a narrow style (DGLPFN).

All models are extremely easy to install and compatible with the DG502UP controller.

Key features

- Polycarbonate proximity reader

- Connects directly to DG502UP

- Internal or external use

- Audible and visual feedback

- Multicoloured LED
