

MountCam series

Wall mounts for wired security IP cameras

Clean look, clear view

MountCam series offers wall mounts for wired Ajax cameras. Suitable for both indoor and outdoor use, the mounts help installers achieve the optimal camera angle and avoid obstructions. They enable efficient installation even in tricky locations, such as under eaves, near walls, or beside pillars. With a design that matches the cameras, the mounts ensure a unified, elegant appearance free from visual clutter.

Perfect fit for Ajax cameras

With four mount models available, MountCam series is compatible with both Baseline and Superior cameras.

	BulletCam TurretCam DomeCam Mini	BulletCam HL TurretCam HL DomeCam Mini HL	TurretCam HLVF DomeCam HLVF	Superior BulletCam HLVF Superior TurretCam HLVF Superior DomeCam HLVF
MountCam A1	✓	✓	✗	✗
MountCam B1	✓	✓	✗	✗
MountCam A2	✓	✓	✓	✓
MountCam B2	✓	✓	✓	✓

BulletCam HLVF is not compatible with MountCam mounts.

MountCam series mounts are sold separately from Ajax cameras.

Hassle-free installation

MountCam series mounts are engineered for quick, one-person installation. The modular design helps installers securely fix the mounts to the surface and then attach the camera within minutes – with no extra effort.

 Pre-drilled fixing points for both the camera and the mount

 Cable routing hole and space for organizing cables inside the mount

 Multiple mount sizes to suit different installation scenarios

 Complete set with all required fasteners included

 Easy installation on any surface
